

How to make referrals with incredible new formula!

That is one of the largest in the world? Yes is **Facebook!**

Now, look the **secret** how to use **facebook** for direct referrals on **any Ptc!(is eazy is free)**

1-Go in fb account and search in browse:

-Countrys

-Big cities

-sell/buy/negotiations/marketing/internet/online..... **in all languages**(translate with google help search dictionary online and translate this words in what languages you want)**and join in multiple groups.**

EX:indonesia and then click **Groups**

f indonesia

All Results People Pages Places Groups Apps

Then click [join](#).

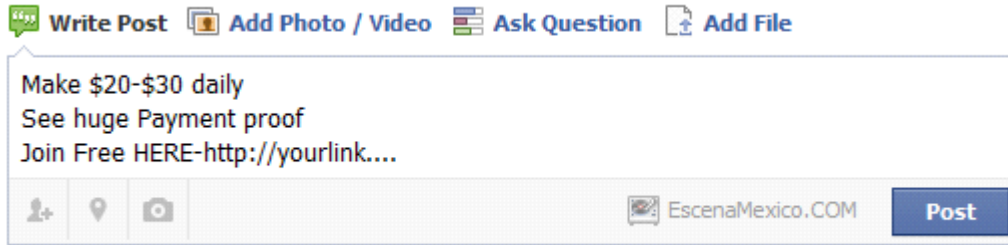

You must to join to groups with over 5000 members.

Make this with different countrys ,cities,buy,sell....

You can join up to 200 groups

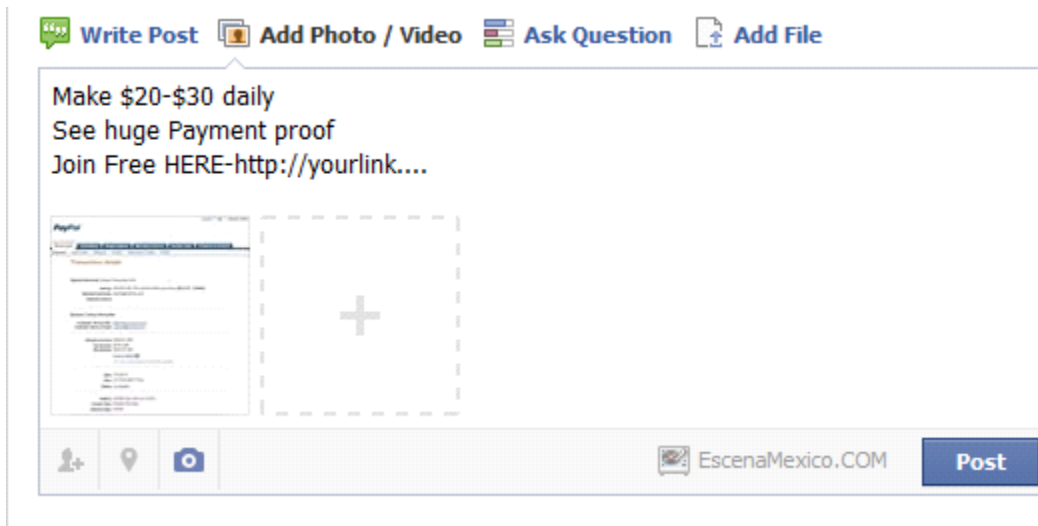

Then you must wait to aprove to join this groups and then you must to post like this:

then you must to add photo(big proof from forum)

EX:neobux- forum-Payment Proof-search a big proof and copy in your pc

And then add this proof in group post, like this:

and click **Post**

Make this in all groups but remember if post in spanish groups you must to post in they language.

ATTENTION:

Facebook do not accept Neobux links but Here are the

solution or any ptc that does not go.

You must to make a blog with Blogger

Search blogger on google and open a account

and then you must to make a blog like this:

see my blogs and do same blog-

<http://earncasheazy.blogspot.ro/>

<http://eazyearnonline.blogspot.ro/>

**<http://spanishdinero.blogspot.ro/>--(this is in spanish
languge**

copy my blog but remember change the links with your
links.

(if you don,t now how to make a blog search on youtube)

Here is a new formula i tested for you and work 100%

thanks, my friend and begin to work for you!

is eazy is free no cost.
